

Park Access in Dallas County

Rae Traver-Fallick & Ananya Sankaran

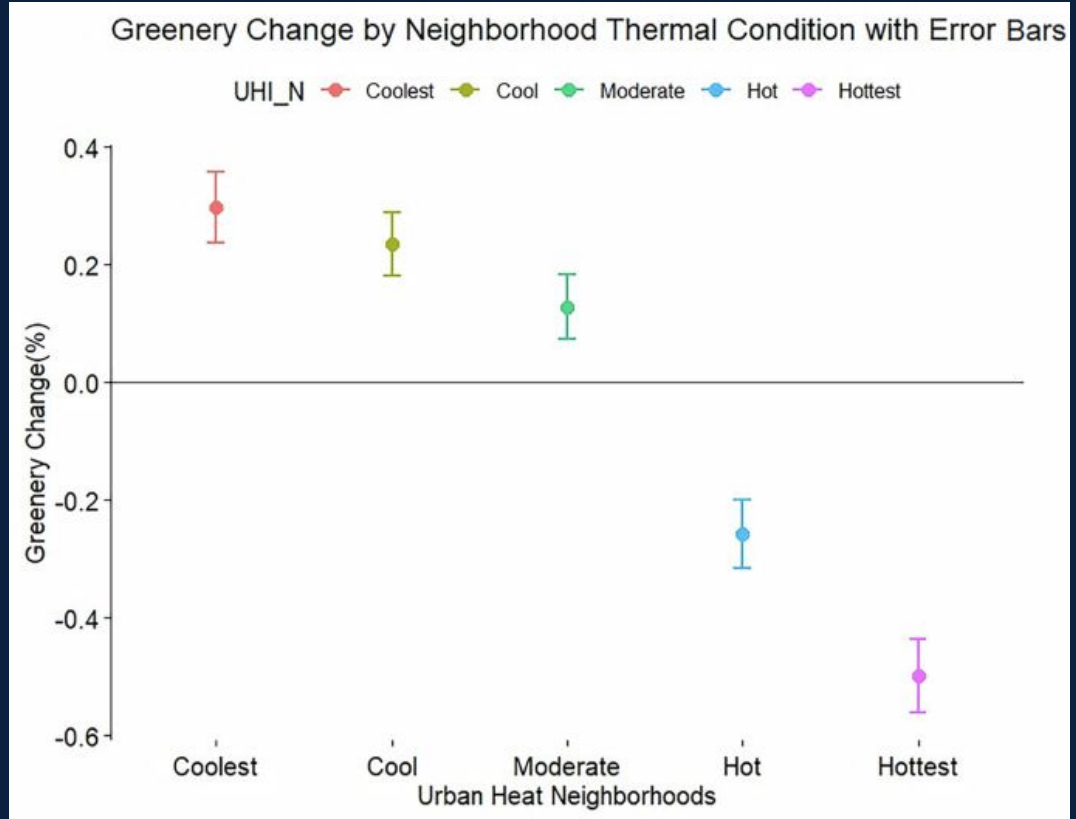

Supervised by Dr. Andrea Barreiro

July 23, 2026

This isn't an
isolated trend.

A 2026 study showed that 24 of
33 U.S. cities surveyed have
experienced a decline in green
space since 2013. (Ock and Shandas)

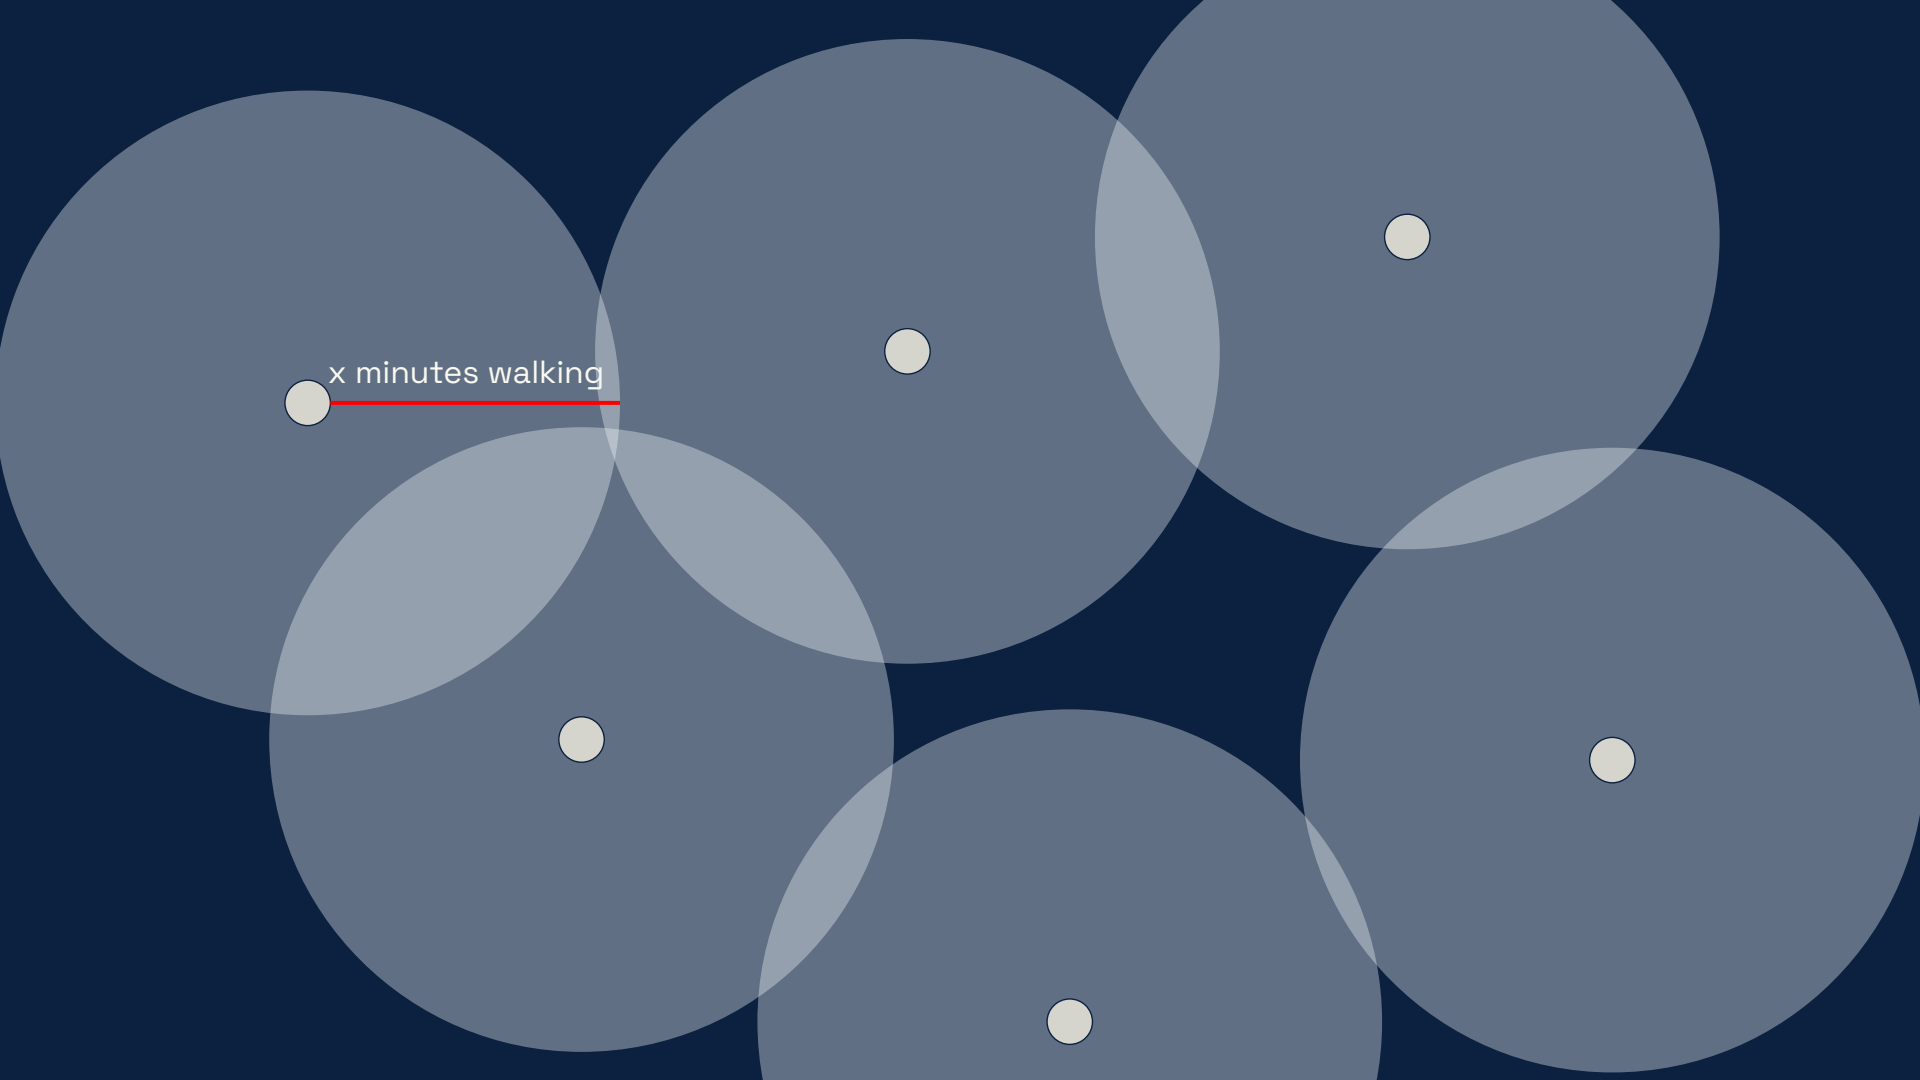

There is
evidence this
loss is not
evenly
distributed.

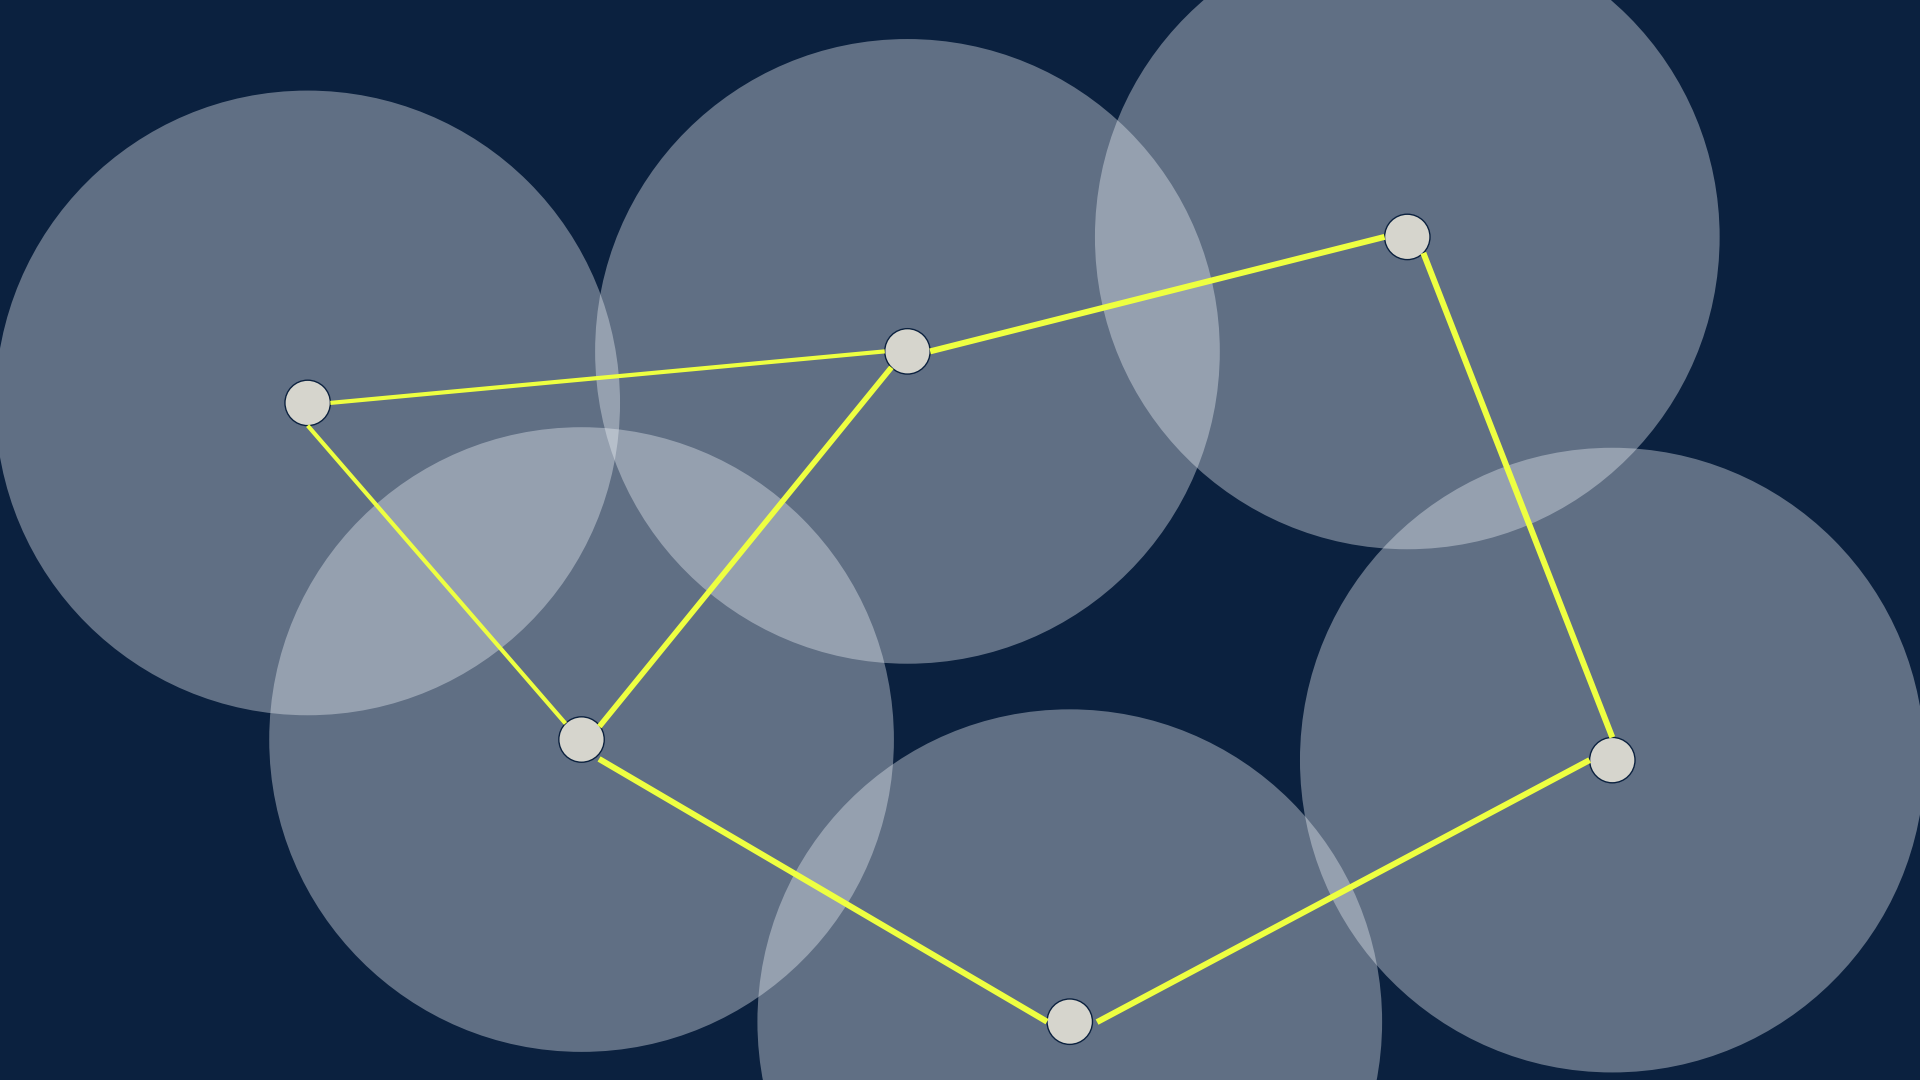

(Ock and Shandas)
